HISTORY

On October 30, 2024, Request for Proposal **25-007 Alcohol Supply Services for The Ballpark at League City** was released to the public. The objective of the solicitation was to find qualified proposers to supply BPLC restaurants with the best quality alcohol at a price that is most advantageous to the City and best meet the overall needs of the City. The proposals were received and opened November 21, 2024 at 4:05 PM CST.

AWARD RECOMMENDATION

Only one (1) proposal was submitted for this RFP. There are not many vendors in the area who can provide the services requested in this proposal. This service is critical to the continued operation of BPLC restaurant bars which generate revenue for the City. The Purchasing Department recommends awarding the contract to **Spec's Wine, Spirits, & Finer Foods** as the most qualified responsive proposer.
