Bid Tabulation and Award Recommendation

Enclosed for your review and approval is the award recommendation for **Concrete Sidewalk and Pavement Repair Service**. Attached is the tabulation.

HISTORY

On September 26, 2024, Invitation to Bid **24-059 Concrete Sidewalks and Pavement Repair Service (RE-BID)** was released to the public. It was a rebid due to the cost sheet on ITB 24-051 Concrete Sidewalks and Pavement Repair not representing the true needs of the city. The objective of the solicitation was to find qualified proposers to provide Repair service for concrete sidewalks and Pavements. The proposals were received and opened October 24, 2024 at 2:05 PM CST. We received 4 bids.

AWARD RECOMMENDATION

After evaluating the **four bids** received, the bids were tabulated. Based on the pricing as tabulated, the Purchasing Department recommends awarding the contract to **Brooks Concrete, Inc.** as the most qualified bidder.
