Funding Award Recommendation

---

Enclosed for your review and approval is the award recommendation for Emergency Generators (RE-BID) – FEMA Funding, the Bid Tabulation, a copy of the original ITB, and a copy of the bid submitted by the awardee.

### **HISTORY**

On January 16, 2026 Invitation to Bid (ITB) **26-027 Emergency Generators (RE-BID) – FEMA Funding** was released to the public. The objective of the solicitation was to find qualified bidders to provide emergency generators at a price that is most advantageous to and best meets the needs of the City while taking into consideration factors such as delivery time and warranty. The bids were received and opened February 4, 2026 at 2pm CST.

### **AWARD RECOMMENDATION**

After receiving the **four (4) bids**, the bids were tabulated. Lead time was a critical factor of this award due to reimbursement deadlines. Only one vendor was able to meet the City's delivery and installation deadline of June 1<sup>st</sup>, 2026. The Purchasing Department recommends awarding the contract to this vendor, **Ready Power LLC**, as the best value bidder.
