**Subject: Paradigm Traffic Systems – Preferred SIEMENS RUGGEDCOM Vendor**

To: Whom it may concern,

Paradigm Traffic Systems is the preferred reseller distributor in the state of Texas for Siemens RUGGEDCOM products and systems. Paradigm Traffic Systems currently provides all communication equipment, solutions, and services on Texas roadways for both state and local.

Siemens' RUGGEDCOM solutions that Paradigm Traffic Systems provides include ***routing, switching, and network management*** along with ***post deployment support***.

Paradigm Traffic Systems has supported the Siemens RUGGEDCOM system in the state of Texas for more than two years to date. Within the current guidelines of our professional relationship with Paradigm Traffic Systems, we have agreed upon a discounted pricing structure such that Paradigm Traffic Systems can offer agencies within the state of Texas the best pricing possible.

If you have any further questions or need additional clarification, please do not hesitate to contact me at 412-652-2637 (C), or via e-mail at [john.bonner@siemens.com](mailto:john.bonner@siemens.com)

Sincerely.
