Overall  
Comments:

Over the years, Garner has consistently provided exceptional support during emergency events. However, invoicing and the tracking of rental equipment remain ongoing challenges that require improvement. Additional improvements include the need to select quality subcontract providers as they are often the source of invoicing discrepancies. With Garner currently undergoing ownership and leadership transitions, they have acknowledged these concerns and committed to addressing them as part of their future improvements.

Grade: 86-100 = A, 76-85 = B, 66-75 = C, below 66 = F
