Re: FY2026 Library Materials Accounts

Comments: The Library's FY2026 budget allocates \$198,300 for new materials of all types.

While only two of the Library's vendor contracts are large enough to require Council approval, Library Administration would like to present an account of all materials vendors and contracts for the fiscal year.

Under section 252.022 of the Texas Local Government Code, books, and other library materials available under exclusive distribution rights for purchase for a public library are exempt from standard procurement rules and do not require competitive bids.

Brodart

The Library has allocated \$73,250 to be spent with Brodart, and the expenditure requires Council approval.

The State of Texas developed an RFP solicitation for all public libraries that allows the purchase of print and audiovisual materials without the Library having to solicit individually. Information is attached detailing Texas Smart Buy 715-M2, as well as Brodart's current Terms and Discounts for Public Libraries. As noted on the attached 715-M2 document, the contract ends this October, with anticipated renewal through October 2026.

4800000 – 51502, Children's Print Materials: \$32,250 4800000 – 51504, Adult Print Materials: \$35,250 4800000 – 51504, Teen Print Materials: \$5,500

Ingram Content Group

The Library has allocated \$59,550 to be spent with Ingram, and the expenditure requires Council approval. This vendor is covered by Texas Smart Buy 715-M2.

4800000 – 51502, Children's Print Materials: \$30,000 4800000 – 51504, Adult Print Materials: \$24,550 4800000 – 51504, Teen Print Materials: \$3,500 20154800 – 51100, Gifts and Memorials: \$1,500

Gale Group

The Gale Group, Inc. provides purchase plans for monthly shipments of new largeprint nonfiction and fiction books and library records. \$8,250 has been allocated for purchases with this vendor. The Gale Group is considered sole source.

```
4800000 – 51502, Children's Print Materials: $250
4800000 – 51504, Adult Materials: $8,000
```

Midwest Tape

Midwest Tape, LLC, is one of the many vendors covered by the Texas State Contract 715-M2. The Library has allocated \$7,250 for purchases with Midwest Tape.

```
4800000 – 51100, Children's Movies & Educational DVDs: $1,200
4800000 – 51500, Movies & Educational DVDs: $4,800
4800000 – 51500, Audiobooks for Adults: $1,250
```

Library Ideas

Library Ideas distributes VOX™ Books, which combine picture books, chapter books, and non-fiction titles with electronic audio readers. These read-along titles are fully portable and support literacy development for young readers. Library Ideas is a sole source for VOX™ Books. The Library has allocated \$5,000 for purchases with Library Ideas.

4800000 - 51502, Children's Print Materials: \$5,000

Playaway Products

Playaway Products provides pre-loaded audiobooks on self-contained, durable, portable devices. Content is available in a variety of genres for all ages. \$4,050 has been allocated for purchases with this vendor. Playaway Products is a sole source provider.

```
4800000 – 51100, Audiobooks for Children: $2,800
4800000 – 51500, Audiobooks for Adults: $1,250
```

Blackstone Audio

Blackstone Audio has served as one of the Library's primary vendors for purchasing books on CD for several years. Once an audiobook company has secured the rights to a title, they usually become the sole source vendor for that title. For the library to provide a comprehensive audiobook collection we have requested doing business with both Midwest Tape and Blackstone Audio.

4800000 - 51500, Audiobooks for Adults: \$2,000

OverDrive

The library has participated in the Houston Area Database Consortium for the Overdrive platform since 2007, under an agreement which automatically renews every year. The platform fee and the bulk of the collection (\$70,000) are paid through Galveston County funds allocated from Galveston County Commissioners.

Locally held electronic materials are available through the consortium platform, but League City patrons are the only patrons who can check them out. Of City funds, \$24,000 has been budgeted for locally held eBooks and eAudiobooks for FY2026. OverDrive is considered sole source.

4800000 – 51502, Children's Downloadable Content: \$6,500 4800000 – 51504, Adult and Teen Downloadable Content: \$17,500

Remaining and Unencumbered Funds

The remaining \$14,950 not otherwise accounted for with the above vendors are funds designated for materials unavailable with traditional library vendors, including purchases made with local vendors.

Galveston County Funds

Galveston County Commissioners have allocated \$156,001 of County funds to League City's Library. These funds purchase titles for the Library's physical and digital collections, as well as pay for courier services that allow resource sharing throughout the County.

Comparisons Between Texas Smart Buy 715-M2 Contract Vendor Ingram and Amazon

Smart Buy library distributors, such as Ingram, provide many benefits to the Library, such as professional reviews and specialized selection tools that help collection development staff make informed purchasing decisions. Library distributors also offer processing, catalog records, and automation services which save the Library operating costs and staff time. Distributors like Amazon and Barnes & Noble do not provide these types of value-added services.

Purchasing items from Amazon increases costs at an average of \$4.71 per item. This additional cost represents staff processing time, operating supplies to make items shelf-ready, and database maintenance to make the items accessible to our citizens. For example, in FY2025, 9,676 items were purchased from Smart Buy distributors, such as Ingram . If those items had instead been purchased from Amazon, in-house processing alone would cost the Library and our citizens an additional \$45,574.

Fiscal Year	Amazon Cost/Item	Smart Buy Cost/Item	Difference in Smart Buy Savings
2023	\$24.02	\$13.16	\$10.86
2024	\$20.41	\$13.49	\$6.92
2025	\$21.35	\$14.29	\$7.06

To provide a timely and specific comparison, collection development staff identified ten titles that have been in high demand by Library patrons. Staff created example orders for these titles in both Ingram and Amazon. The discounts compared between Smart Buy and Amazon are apparent, especially when full processing and database maintenance are conducted in-house.

	Ingram (Smart Buy)	Amazon (City Account)	Smart Buy Savings	Percent Discount
Recent High- Demand Titles (Without Processing)	\$148.41	135.03	(\$13.38)	-9%
Recent High- Demand Titles (With Processing)	\$155.31	\$182.13	\$26.82	17%

Collection development staff also compared the same ten titles using the manufacturer's suggested retail price versus the discount offered by Ingram through the Smart Buy contract. Library materials distributors can indicate how much we save as staff select titles for purchase. The following table shows the Smart Buy contract discount from Ingram.

	Ingram	Ingram (Smart	Smart Buy	Percent Discount	
	(List Price or	Buy Net Price	Savings with	with Smart Buy	
	MSRP Amount)	Amount)	Ingram	Contract	
Recent High- Demand Titles	\$275.97	\$148.41	\$127.56	46%
