Tommy Cones – Real quick, I just want to say Merry Christmas to everybody. I'd like to thank the staff for the nativity scene and the Christmas display out front. I know they worked very hard and very fast trying to get that put up before Christmas. We certainly do appreciate staff working on that, having the nativity scene back in front of City Hall is a great thing again. Thank you.

Courtney Chadwell – No Comments

Scott Higginbotham – No Comments

Mayor Long – Really great job with all of the staff work that went into Holiday in the Park and of course the volunteers that went with it, but the staff, just a ton of work they put in with traffic control and all that. It was remarkable, it seemed like 15 minutes after it was done they had the road cleared, it was open and it was going again. That takes a heck of a lot of work to do. Also thank you to everybody that worked, Sarah, everybody, that worked on the nativity scene. Thank you to Tommy for spearheading that as well.
