

October 4, 2025

To: City of League City Council Members

The League City Proud Organization is planning our annual Children's Parade to be held as part of the annual Holiday In the Park Festivities. The parade has traditionally taken place on the first Saturday of December. Due to the continued increase in participants over the last couple of years we feel it is now a necessary measure to ensure the safety of participants and volunteers.

This walking parade through the Historic District will take place on December 6th. Parade lineup will begin at 9:00am with a scheduled start at 10am and it's typically over quite quickly. We will line up on 2nd Street in front of Butler's Courtyard and lead the children into League Park to meet Santa at the Gazebo.

We respectfully request the council to waive fees for setting up barricades to block off streets during this time as this is a free community event and The League City Proud Organization is a non-profit.

Attached is a map of the parade route and suggested street barrier placements.

Sincerely,

Amber Murphy

Children's Parade Chairperson, Holiday in the Park, The League City Proud Organization
