Re: Rustic Oaks Bond Project-Drainage Swales
151 Bay Area Blvd

Dear Mayor and Councilmembers:

RUSTIC OAKS HOMEOWNERS' ASSOCIATION, INC. attended several meetings with the City of League City Project Manager, Susan Oyler, for the Rustic Oaks Swale Drainage Project, along with the Manager of Community Engagement, Amber Pedigo, along with the Development Services Department, Christopher Sims from 2024-2025.

A recent public meeting was held on September 23, 2025, and residents were notified on social media and followed up with an email after the meeting was held to provide feedback to the City of League City on the removal of the bond project for this neighborhood.

No one spoke out in favor of the project. Both the impacted homeowners that attended, and the residents at large, were not interested in pursuing this drainage bond initiative but would like to see an overarching project to help the neighborhood continue to be pursued.

We would recommend removal of the project based on HOA and resident feedback.

Please feel free to reach out with any questions.
